DEATHS

HARRY G. HERRING.

Harry G. Herring, a prominent lumberman and automobile man of Blackburn died very suddenly Saturday morning, April 5 at 3:45 o'clock. While at his garage working with his car Friday evening Mr. Herring was stricken with apoplexy and remained unconscious until the time of his death. The funeral services were held at the M. E. Church, South Monday, April 7, at 2 p. m. by Rev. Wagoner. The burial services were under the auspices of the L. O. O. F. lodge of Blackburn of which he was a member. A large crowd attended the services. A wife and three children survive the husband and father. To them is extended the deepest sympathy.

MRS. MARY J. EDWARDS.

Mrs. Mary J. Edwards, wife of W. H. Edwards at her home at Nelson, died on March 26th, 1913, of general debility and old age, she being 77 years, 6 months and 13 days old.

Mary J. Martin Edwards was born in Tennessee in 1835, and came to Missouri with her parents in childhood, where she grew to womanhood and was married to W. H. Edwards. To this union was born nine children of which two have preceded her to the throne on high. The surviving children are: Mrs. Julia Donbonds of Neosho, Mo.; Mrs. Mattie Griffin, Banks, Oregon; Mrs. J. Hewitt of Washburn, Mo.; Edwin and Morris Edwards of Joplin, Mo.; Mrs. J. Hubbard, and Mrs. F. Buford of Nelson. The latter named children and following relatives attended the funeral Mrs. Lina Edwards, Hub Edwards of Grand Pass; Mrs. P. DeMoss, Mrs. H. Vanderlin, Waverly. Her funeral service were held in the M. E. Church at Nelson by her pastor, Rev. Snapp and burial at Nelson cemetery.

The highest tribute which can be paid to one is, "She was a good christian woman, true to her God, a loving mother and a devoted wife."

Mr. and Mrs. Edwards formerly lived in Grand Pass.

M. A. STONE.

An old and prominent retired farmer of Slater died at his home there Monday at 2 a. m. at the age of 80 years and 27 days. Mr. Stone had been ailing for three years but was able to be up and around until six weeks ago when he was taken down with dropsy.

He came to Saline county from Carrollton, Ill. in 1882 and resided around Slater since.

He is survived by his wife and five children, A. L. Stone of Springfield, Mo.; F. M. Stone, Marshall; Mrs. W. L. Davenport and Mrs. M. E. Miller of Slater; and Mrs. A. Huff of south of Gilliam.

Mr. Stone was a most excellent citizen and a good man. He knew his time had come and said he was prepared to go. At his death he quietly folded his arms and peacefully went to sleep.

The funeral occurred at the Fish Creek Baptist church, Tuesday noon, Rev. W. F. Roberts conducting the services. C. F. Harris, representing the Masonic order, made a very comforting talk to those present, telling also of the many good qualities of Mr. Stone.

Mrs. Stone, the widow, has been quite ill since the funeral, having collapsed from her attentions to Mr. Stone. We wish for her a speedy recovery and extend sympathy in her bereavement.

A LESSON IN PERCEPTION

As an illustration in his sermon Sunday evening Rev. R. C. McAule told the story of a professor, who tried to teach his class close observation. He set down a bowl of a bitter concoction and said, "In my day, when we wanted to know what was in a bowl we did this way." Then he stuck in a finger and licked it off, saying all in turn to do likewise. After all had done so he faced a disgruntled lot and remarked, "I see you are not close observers—if you were you would have noticed that I didn't lick the finger that I put into the bowl."

Dr. J. D. Jackson and daughters of the Herndon neighborhood, were among Saturday's visitors.

CHURCH NOTES.

The M. E. Church, South closed their revival meeting Thursday night. The meeting has been very successful, resulting in about fifty additions to the church. Dr. Hawkins the evangelist was compelled to return to his work in St. Louis. His plain practical sermons have been very effective and have led many to see the error of their ways. Rev. L. H. Bakes, choir leader contributed largely to the success of the meeting.

WORLD HAPPENINGS

Floods in the Ohio River valley has furnished much sensational news during the past week. The situation at Cairo has been alarming for the past several days where a heroic fight was made to save the city from inundation. The water at this point made a new high water mark which came within a few inches of the top of the levee. The lower Mississippi is now rising.

Another million of Andrew Carnegie's wealth has been placed to the credit of the endowment fund of the Carnegie Institute, which brings the total up to \$8,000,000. The gift arrived last week in cash. The gold weighed a ton.

The Balkan Allies on Saturday April 5th submitted to the Powers a formal reply to the suggested basis for peace negotiations with Turkey. The reply purports to be an acceptance of the mediation conditions, but the acceptance is subject to reservations, which practically repudiates the proposed terms.

At Auburn, New York, about 1,700 twine workers are on a strike on demands for increase wages.

The Federal government is preparing to expend approximately \$2,000,000 this season in improvements on the Missouri river between its confluence with the Mississippi and Kansas City. Already extensive improvements are under way at a dozen points or more between the mouth of the stream and Kansas City.

Miss Ethel Roosevelt, daughter of Theodore Roosevelt was married at Oyster Bay, New York on Friday, April 4th at noon, to Dr. Richard Derby of New York. Two hundred close friends and relatives of the bride and bridegroom saw the ceremony.

More than twenty fires of mysterious origin this week at the home of D. C. Oneal, three miles north of Fulton, have ruined practically all the clothing and wearing apparel of the family, damaged the house, thrown members of the family almost into hysterics and baffled all efforts of neighbors and other to trace the origin.

A fine son was born to Mr. and Mrs. Norman Wood of Sugar town Sunday.

STALLINGS-JOHN

An out of town wedding of interest to a number of Marshall people took place at 5:30 Wednesday morning, April 9, 1913, in Sweet Springs, when Miss Eva Nelle Stallings of that city became the bride of Edward C. Johns. In the presence of the immediate relatives, Rev. J. E. Wylie spoke the words in a very impressive manner that joined for life the hearts, hands, and happiness of these young people. The young couple left a few minutes after the ceremony for Kansas City.

The wedding was not a surprise to their friends, but on account of the hour, in which the wedding took place, no one knew of it until the couple were many miles away. The bride is the youngest daughter of Mr. and Mrs. W. P. Stallings and is one of Sweet Springs most attractive young ladies and is in every way fitted to make a lovable and ideal companion.

The groom is a son of Mr. and Mrs. Chris Johns of near Mt. Leonard and is an industrious young man. He has for sometime held a position as book keeper at the Sweet Springs Milling Co., and is worthy of the fair young bride, which he has chosen.

We extend heartfelt congratulations and best wishes to this young couple.
